Sri Puttanna

**Member of the Legislative Council – Teachers’ Constituency
Chairman - National Public School, Uttarahalli**

Sri Puttanna, a distinguished educationist and Member of the Legislative Council representing the Teachers’ Constituency, who has been elected five consecutive times, is a towering figure in Karnataka’s educational landscape. His tenure reflects the deep trust and respect he commands within the teaching fraternity. He has also served with distinction as the Deputy Speaker of the Karnataka Legislative Council.

A visionary leader, Sri Puttanna has been instrumental in driving impactful educational reforms and strengthening academic institutions across the state. Revered for his commitment to excellence and service, he has been a guiding force for countless educators and institutions. Institutions such as National Public School, Uttarahalli and Sadhana PU College stand as enduring embodiments of his vision, dedication, and unwavering commitment to nation-building through education.

**Chairman
Sri Puttanna**

Professor Y K Jayaramappa

Vice Chairman - National Public School, Uttarahalli

Professor Y K Jayaramappa is a passionate Chemistry educator and co-founder of BASE, Basavanagudi. Formerly serving as CEO and CAO, he played a key role in its growth.

As Vice Chairman of NPSU, he focuses on shaping the institution’s vision and mentoring young teachers, many of whom have achieved great success under his guidance.

Ms. Inchara Puttanna

Ms. Inchara Puttanna

CEO - National Public School, Uttarahalli

“At NPSU, we believe true education shapes character as much as it builds knowledge. Beyond academics, we nurture individuals who are confident, compassionate, and progressive. Our commitment is to create an environment where every learner is inspired to grow, explore, and excel, and to contribute meaningfully to the world”.

Ms. Inchara Puttanna, Chief Executive Officer of NPSU, is a visionary leader committed to fostering excellence in education. With a distinguished academic background— Schooling from National Public School Rajajinagar, BA LL.B. from University Law College, Bangalore University, and an MBA in Human Resources from La Trobe University, Melbourne, Australia — she brings inspiring innovation, enriched learning and strategic leadership to the institution taking forward the legacy.

Principal

Dr. Reetu Thapa

Dr. Reetu Thapa

Principal - National Public School, Uttarahalli

“Rooted in the understanding that every child is unique, at our institution, we strive to create a nurturing, holistic and future-ready ecosystem that fosters quality education. We cultivate meaningful mentor-student relationships and thoughtfully integrate essential life skills into everyday learning, empowering students to grow into self-reliant, value driven individuals prepared for a ever - evolving world.”

With over a decade of an illustrious academic and administrative leadership across premier institutions such as NPS, Aditya Birla, and Goenka schools, combined with extensive experience across CBSE, ICSE, IB, and IGCSE curricular, both in the Nation and abroad, Dr. Thapa brings a rich and diverse perspective to education. She has headed NPS schools for more than a decade and is the Founder Principal of NPSU leading with integrity, and dedication.

A recipient of prestigious recognitions, including the Power Women Award for Eminent Educationist, the Exemplary Leader Award, by VDM India On the Move and Change Maker in Education honours, her greatest fulfilment lies in shaping empowered, empathetic, and responsible leaders of tomorrow.

Pre-primary Newsletter – April AY 2025-26

Dear Parents,

Greetings from NPSU!

“In every child’s smile is the promise of a brighter tomorrow – Kindergarten is where the magic begins”

As we step into a new academic year filled with renewed hope and enthusiasm, we are pleased to present our Annual Newsletter, offering a glimpse into the enriching journey of our young learners.

The academic year 2025–26 concluded with the successful completion of Kindergarten Term II, leaving us with a deep sense of pride and nostalgia. It has been a remarkable journey of growth and discovery, where our little learners transformed from hesitant beginners into confident individuals. Each day brought new learning experiences, adding vibrant colours to their early years and reminding us of the beauty in every small achievement.

At our institution, we firmly believe that every child has the innate ability and desire to learn. Our endeavour is to nurture independent and lifelong learners by fostering a positive “I can” and “I will try” attitude, which lays the foundation for both success and happiness.

Under the visionary leadership of Principal Dr. Reetu Thapa, and with the unwavering dedication of our Teaching team, National Public School, Uttarahalli always remain as top No. 1, School. We continue to strive towards excellence by embracing innovation and adapting to the evolving needs of education.

ANNUAL SPORTS DAY

Chinnara Uthsaha Speed, Smiles and Sunshine Our Annual Sports Day!

The Kindergarten Sports Day was a delightful celebration of energy, enthusiasm, and teamwork. Our little participants took part in a variety of fun-filled activities, showcasing their budding skills and joyful spirit.

From relay races to simple obstacle courses, each event was met with cheers, laughter, and boundless excitement. With their bright smiles and determined steps, they reminded us that participation and enjoyment matters more than winning.

Annual Sports Day was not just about games, it was a celebration of energy, confidence and togetherness. It was indeed a memorable day for everyone!

CLASS ACTIVITIES

The year was enriched with numerous meaningful events and activities that encouraged collaboration, sharing, and self-expression. Through language-enriched experiences, children developed their listening, speaking, reading, and writing skills, which were beautifully showcased during the events and celebrations. Recognizing that kindergarten readiness extends beyond academics, we focus on the holistic development of each child. Our thoughtfully designed curriculum—including Read Aloud sessions, Show and Tell, Rhymes, Class Assemblies, Library, Dance, Music, and Art & Craft—promotes cognitive, social, communicative, and creative growth, with an emphasis on conceptual understanding rather than rote learning.

We extend our heartfelt gratitude to all parents for their continued support and partnership in making this journey meaningful and memorable for our children.

COLOUR DAYS

Where three colours build a colourful world! Celebrating the magic of primary colours!

The classroom came alive with the shades of red, blue and yellow as children participated in a variety of engaging activities. They explored colours through Art, Show & Tell activity and Creative Expressions, making learning both fun and meaningful.

TO MARKET! TO MARKET!

Our Young Entrepreneurs at Work! From classroom to market place!

A Joyful experience of shopping. Students explored buying and selling of Groceries, Fruits and Vegetables, used simple conversations and developed an understanding of real life situations along with their parents which helped them develop their communication and social skills, which became even more interactive as it transformed into lively market place.

CLASS ASSEMBLY

Confidence Begins Here!

Assemblies in Kindergarten are important for several developmental, educational and social reasons. Introducing different themes makes them even more engaging and impactful. Children learned the ethics and human values like empathy, respect for others, cleanliness, courtesy, spirit of service, respect for public property, and responsibility, through skits and pretend play held during the assemblies.

ME & MY MOM

MOM – My First Teacher, My Forever Friend!

ME & MY MOM session was a heart-warming and joyful experience for both children and their mothers. It is a bond beyond words where love begins and never ends!

LITTLE LEARNERS IN ACTION - PRESENTATIONS

Presentations and demonstrations during the academic year 2025–26 provided our tiny tots with meaningful learning experiences. Activities like Math and Language presentations, science experiments, and special events such as Little Chef, Tiny Wings and Wiggly Things, Maa & Me, Yoga Day and Transport Day made learning joyful and engaging. These opportunities helped children explore concepts deeply, speak confidently without hesitation, and enhance their vocabulary and communication skills—contributing to their overall personality development.

MATH ACTIVITY

Building Bright Minds with Math Material!

Our students confidently participated in the fun filled Math Activity which strengthen their Cognitive skills. This activity improved their problem solving abilities and logical thinking skills.

We are proud of our little Mathematicians!

LITTLE MINDS BIG DISCOVERIES

Curious Minds Create Wonders! Fun with Experiments!

Our little learners enthusiastically participated in a science experiments that sparked curiosity and excitement. The activity encouraged observation, exploration and critical thinking skills.

LANGUAGE ACTIVITY

Every Letter Leads Learning! Unlocking the World through Reading!

Our young learners confidently participated in language activity. This activity helped this students to enhance their vocabulary, reading and speaking skills.

LITTLE CHEFS' DAY

Confidence Grows in Every Recipe! Learning Life Skills the Fun Way!

Our little ones celebrated Little Chefs' Day with great excitement. The activity helped developed creativity and healthy eating habits as they explored the joy of cooking through hands on activities.

YOGA DAY

A Day of Peace Flexibility and Mindfulness! Balance, Breathe, Believe!

Yoga day - A Day of Peace Flexibility and Mindfulness! The activity helped our little ones feel fresh, happy and energized. It was a refreshing experience that promoted focus and balance by doing simple yoga poses and breathing exercises guided in a fun and engaging way.

CELEBRATIONS

Celebrations like Independence Day, Kannada Rajyostava Day, Annual Day, Sports Day and Kindergarten Graduation Day in the second term brought everyone together as a school team and created a sense of belonging.

INDEPENDENCE DAY

Building the Future of Our Country! Unity, Love and Freedom!

Through our Independence Day class assembly students learned about the sacrifices and contributions of our freedom fighters. Dressed as brave freedom fighters, the students confidently came forward and delivered short speeches, expressing their love and respect for the nation.

KANNADA RAJYOSTAVA

**NAMMA KANNADA... NAMMA NAADU... NAMMA HEMME!
OUR KANNADA... OUR STATE... OUR PRIDE...!**

Honouring our State Language, Culture and Heritage!

In pre-primary wing, Kannada Rajyostava was celebrated with a sense of cultural pride and unity. The children came dressed in traditional attire representing various regions of our Karnataka State through songs, dance and creative performances.

FESTIVALS

Learning Culture Through Festival!

Festivals are celebrated at NPSU to develop a sense of togetherness, time for joy, unity and traditions. They made colourful art work and engaging activities on Ganesha festival, Krishna Janmashtami, Diwali with Grandparents, expressing the understanding of the different celebrations.

CHRISTMAS CARNIVAL

Christmas Magic Meets Carnival Excitement! The Season of Giving and Smiling!

Pre-Primary children celebrated Christmas carnival with spirit of joy.

Celebrating the season of giving with festive fun!

Where Christmas magic meets carnival excitement!

ANNUAL DAY 2025-26

HARMONY

Celebration of Harmony - The 21st of February 2026 marked a grand and memorable Pre-Primary Annual Day celebration at our school. The event culminated in a vibrant 'Harmony'. The Theme for Nursery and LKG - 'TOGETHER WE SHINE'- Under the deep blue. It began with a graceful Invocation Dance, followed by the School Report highlighting the year's milestones, before our Pre-Primary students took centre stage..

Together We Shine! Under the Deep Blue Sea!

ANNUAL DAY 2025-26

Seven Wonders Seven Values!

UKG students presented 'SEVEN WONDERS, SEVEN VALUES,' masterfully linking global landmarks to core human ethics. It was a proud celebration of creativity, discipline, and our students' remarkable achievements

GRADUATION DAY

UKG Graduation Day: A Grand Milestone - The 18th of March 2026 was a magical morning as we celebrated the UKG Graduation Ceremony! Our little stars looked grown up in their miniature caps and gowns, ready to take their big leap into primary school. The event featured a lively dance performance by LKG students, adding energy and cheer, and colourful costumes added charm to the celebration. A special highlight was the UKG students singing their heartfelt graduation song, creating an emotional and memorable moment. The celebration concluded with graduates stepping centre stage to receive their certificates, marking their growth and readiness for a new beginning. Congratulations! This is just the beginning.....
You are a star in the making
Shine on.....

FIELD TRIPS

Learning Beyond the Classroom!

Field trip to Big Barn and Enchanting Acres, provided Hands-on experiential learning opportunities.

LOGIQUIDS External Exams

Logical Reasoning: LOGIQUIDS is a Mental Aptitude Olympiad for children. It enhances the logical reasoning skills in children in a structured way. Logical reasoning is a very important skill-set which is taught in school. We encourage children to participate in LOGIQUIDS Mental Aptitude Olympiad. These skills aim to foster overall development, self-confidence, and readiness for future learning and progress of the school. During the Academic year 2025-2026 around 50 students won Medals and certificates

Dear Parents,

We extend our heartfelt gratitude to all, for continued support and partnership in making this journey meaningful and memorable for our children.

We are sharing a few tips to make the vacation interesting and enjoyable. These activities will help children to face the academic challenges for the next session.

Learning is a full-time endeavour. Your child is going to learn a lot and be exposed to a new learning environment and new ideas.

During the vacation, keep the children engaged in different activities.

• SUMMER CAMPS:

Summer camp is a community where children come together to have fun while learning lifelong lessons. Summer camp promotes positive social interactions, often around a common interest such as sports, performing arts, music, art & crafts. They provide a healthy, more active outlet for children away from television screens, cell phones and video games during summer break.

• DAILY CHORES:

Ask the children to share what they have learnt and find ways to extend that learning. It can be as simple as finding books at the local library to explore a topic deeper, playing a game of 'Sorry'. Get your child involved in the household chores, doing the chores together will develop family bonding.

Read along sessions: Read bedtime stories with them daily.

- Sleep: We would like to talk a little about your child's sleep patterns and his/her food habits. Children should get enough sleep as it allows their little bodies to grow and stay healthy. Their muscles, including the heart, repairs themselves during sleep.*
- Eat Healthy: Encourage children to eat healthy home cooked food. Be a positive influence on your child. Eat together at least once every day and talk around the dining table to make great family bonding.*

Together we make a Team! We are looking forward to a great and meaningful partnership in the years to come.

REACH OUT! REACH HIGH! REACH BEYOND!

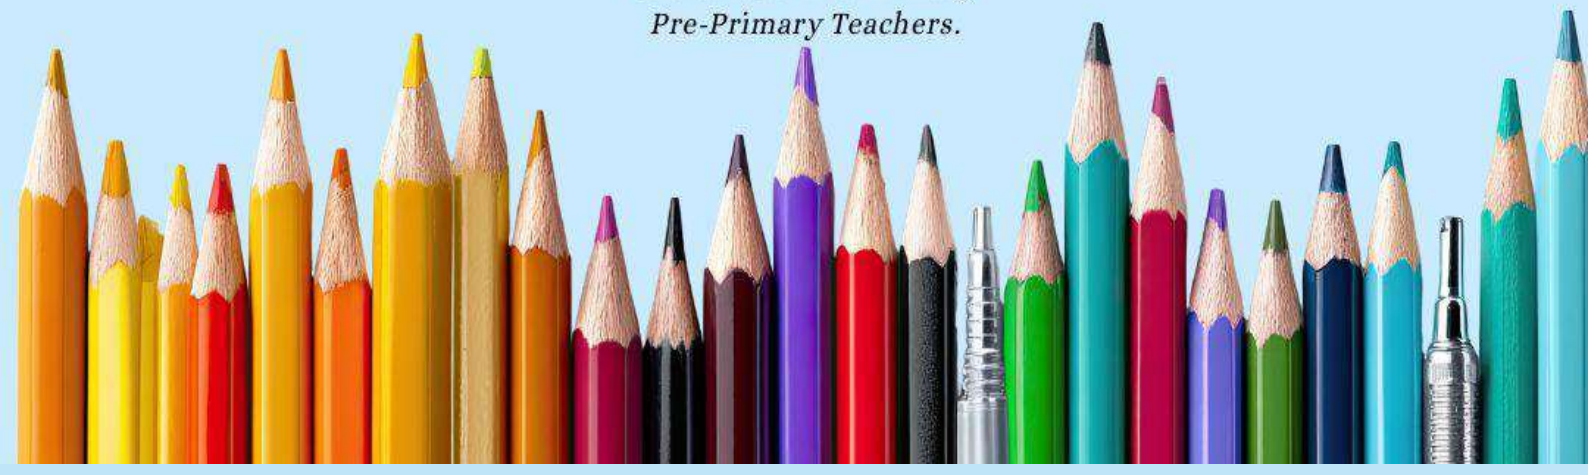

Best Wishes

Dr. Reetu Thapa Principal NPSU.
